TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 23, 1996

SUBJECT: **HB 2275 - SB 2411**

This bill, if enacted, will allow the salary of a county executive to be increased or decreased during the executive's term of office.

The fiscal impact on local governments from enactment of this bill in and of itself is estimated to be minimal since the provisions of the bill are permissive.

The net fiscal impact from enactment of this bill is estimated to be not significant to local government. This assumes that local governing bodies may choose to either increase or decrease the county executive's salary.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
